Keith,

I know Huebsch is going to serve on the Wisconsin Center District Board. If the Gov has any other appointments, I would appreciate consideration. I formed the Board with Jim Klauser, the Legislature, and others, back in 1994. That effort was undertaken while I was serving as the last Chair of the old Milwaukee Exposition Convention Center/Arena (MECCA) Board that ran the convention center, Auditorium and Arena. I served for a total of nearly 15 years on both boards. They now meet quarterly and I know it could fit in my schedule.
